THE GLASS-HOUSE TRUST

5 April 2002

Organisation

The Trust is one of the Sainsbury Family Charitable Trusts which share a common administration. In July 2002, the joint office moved to Allington House (1st Floor), 150 Victoria Street, London SW1E 5AE. The other Sainsbury Family Charitable Trusts which are administered from the Registered Office are as follows:

The Ashden Trust	The Linbury Trust
The Alan and Babette Sainsbury Charitable Fund	The Mark Leonard Trust
The Elizabeth Clark Charitable Trust	The Monument Historic Buildings Trust
The Gatsby Charitable Foundation	The Monument Trust
The Headley Trust	The Staples Trust
The Indigo Trust	The Tedworth Charitable Trust
The J J Charitable Trust	The Three Guineas Trust
The Jerusalem Trust	The True Colours Trust
The Kay Kendall Leukaemia Fund	The Woodward Charitable Trust

Policies

Proposals are generally invited by the Trustees or initiated at their request. The Trustees prefer to support innovative schemes that can be successfully replicated or become self-sustaining. Grants are not normally made to individuals.

Reserves Policy

It is the policy of the Trustees to approve grants for payment over a period of years, subject to the fulfilment of certain conditions over the life of the grant.

The Trustees normally expect to hold sufficient funds both to meet the short-term working capital needs of the Trust and to anticipate potential payments of subsequent grant instalments. The cumulative deficit on unrestricted funds at 5 April 2002 was £424,842. There is no fundamental change in the Trust's sound position and, the recorded deficit arose principally as a result in the change in the accounting treatment of grant commitments as required by the charities SORP. It is expected to be met from future income flows. If these are insufficient, Trustees will where necessary make

payments when due from expendable endowment as required.

The need for unrestricted income funds will vary from year to year and the Trustees will continue to keep the position under close review.

Investment Policy and Performance

The Trust's expendable endowment funds are invested to generate income and provide long-term capital growth in line with relevant indices. The Trustees regularly meet the investment managers to discuss strategy and review performance.

The performance of the Trust's portfolio was significantly ahead of the FTSE All Share Index for the year. The Trust normally holds investments for the long term.

THE GLASS-HOUSE TRUST
5 April 2002

Risk Assessment

The Trustees have examined the major strategic, business and operational risks to which the Trust may be exposed. Through the joint office of the Sainsbury Family Charitable Trusts, systems are in place adequate to meet such potential risks as the Trustees have identified. The Trustees continue to be vigilant and to keep processes under review.

Review of the Past Year

The Trustees met six times during the year to make grants and review investments.

The net unrestricted income of the Trust for the year after charging support costs and administration amounted to £562,226, compared with £523,941 in the preceding year, which added to the deficit of £374,286 brought forward from 2000/01 gave a total of £187,940 available for distribution.

The asset value of the Trust increased from £12,519,269 at 5 April 2001 to £12,901,278 at 5 April 2002. Support costs accounted for 3.18% of unrestricted income and administration costs (excluding the investment management fee) accounted for 2.34%.

These accounts have been prepared for the first time under the Charities SORP 2000. Grant commitments due in the following year are therefore accrued, and the previous year's figures have been restated accordingly. The deficit on reserves arises from this change.

During the year the Trustees approved 6 grants totalling £126,500 some of which are payable over more than one year.

Grants approved during the year are set out below;

	Grants Approved	Value £
Parenting, Family Welfare & Child Development	1	15,000

NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

These accounts have been prepared under the historical cost convention as modified by the revaluation of investments, and in accordance with applicable accounting standards and the Statement of Recommended Practice "Accounting and Reporting by Charities".

The principal accounting policies adopted are as follows:

- a) Income
- (i) Income is shown gross which includes the associated tax credit unless the tax so deducted is considered irrecoverable.
 - (ii) Dividends are included by reference to their due dates.
 - (iii) Interest is recorded only when it has been received.
- b) Grants paid
- Grants for which there is a binding commitment are accounted for within the Statement of Financial Activities. Payments that are due within one year from the year end date are included within grants payable in the Statement of Financial Activities. Other grants are accounted for in the Statement of Financial Activities when conditions attaching to the grant are fulfilled.
- Grants approved subject to conditions that have not been met at the year end are noted as a commitment but not accrued as expenditure (see note 3).
- This is an amended policy from previous years. Details of the change are given in note 3.
- c) Investments
- Net realised and unrealised gains and losses are reflected in the Statement of Financial Activities. Investments are shown at mid market value. Partial disposals are accounted for using average book value.
- d) Support and administration costs
- The Glass-House Trust is one of the Sainsbury Family Charitable Trusts, which share a common administration. Support and administration costs are shared by those Trusts. The basis for allocation is in proportion to time spent on Trust matters and relative income.

2. INCOME ON INVESTMENTS

Income received on investments may be analysed as follows:

	2002		2001

Commitments

In addition to the amounts committed and accrued noted above, the Trustees have also authorised certain grants which are subject to the recipient fulfilling certain conditions. The total amount authorised but not accrued as expenditure at 5 April 2002 was £166,893 (2001: £711,937)

The amount payable in the year includes the following:

	£	£
Architecture Foundation	343,168	East London Schools Fund 7,500
Pier Trust	103,500	Book Works 5,000
University of Oxford	98,722	Whitechapel Art Gallery 2,000

Sustrans (Sustainable Transport)	21,000	<u>612,782</u>

Effect of change in accounting policy - grants

In previous years, grants that were funded out of future income were included in the Statement of Financial Activities (SOFA) only when they were paid. Grants payable within one year of the date of these accounts are now accrued and the corresponding amount for the year 2000/1 has been adjusted to this basis. The effect on the amounts shown for grants payable on the SOFA are as follows:

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE ACCOUNTS

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF GLASS-HOUSE TRUST

We have audited the financial statements of Glass-House Trust for the year ended 5 April 2002 which comprise of the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes set out on pages 7 to 14. These financial statements have been prepared under the historical cost convention and the accounting policies set out on page 10.

Respective responsibilities of trustees and auditors

The Trustees' responsibilities for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Trustees' Responsibilities on page 15.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read the other information contained in the Trustees' Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Unqualified opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the charity as at 5 April 2002 and of its incoming resources and application of resources for the year then ended and have been properly prepared in accordance with the Charities Act 1993.
